The council suggests to propose the extension of this age restriction and to limit instead the duration of the fundings.

4 - Eolo Di Casola relates about the establishment of the new NUV committee.

5 - The Council proposes the candidature of Piermarco Fonda as the SISSA member of the regional board (FVG) of the CNSU (National Council of University Students), and nominates him.

The session is updated at the next Students' Council Meeting that will be held the coming May.
